

# Asia Pacific Conference of Young Scientists 2025

2025 亞太平洋科學家會議

# APYS

Date: July 23-27, 2025

## Guide Book

Organizers:

National Taiwan University and Chung Yuan Christian University

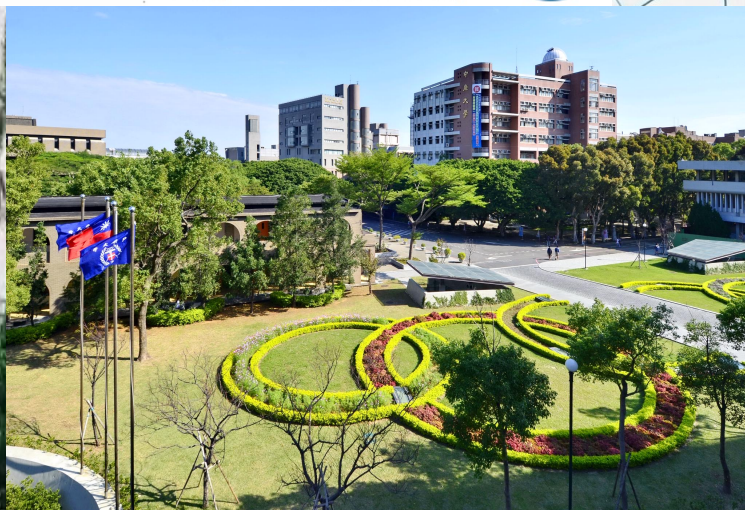

國立臺灣大學  
National Taiwan University

中原大學

Chung Yuan Christian University

# Asia Pacific Conference of Young Scientists

Founding conference held in Indonesia in 2011.

## *Chronology of Host Countries:*

2012: Indonesia (First APCYS)

2013: Indonesia (2nd APCYS)

2014: Taiwan (3rd APCYS)

2015: Malaysia

2016: India

2017: Nepal

2018: Thailand

2019: Russia

2020: Indonesia

2021: Mexico

2022: Taiwan Indonesia Yakutia  
(Online)

2023: Indonesia

2024: Malaysia

2025: Taiwan (NTU & CYCU)

# Asia Pacific Conference of Young Scientists 2025

## Organizers

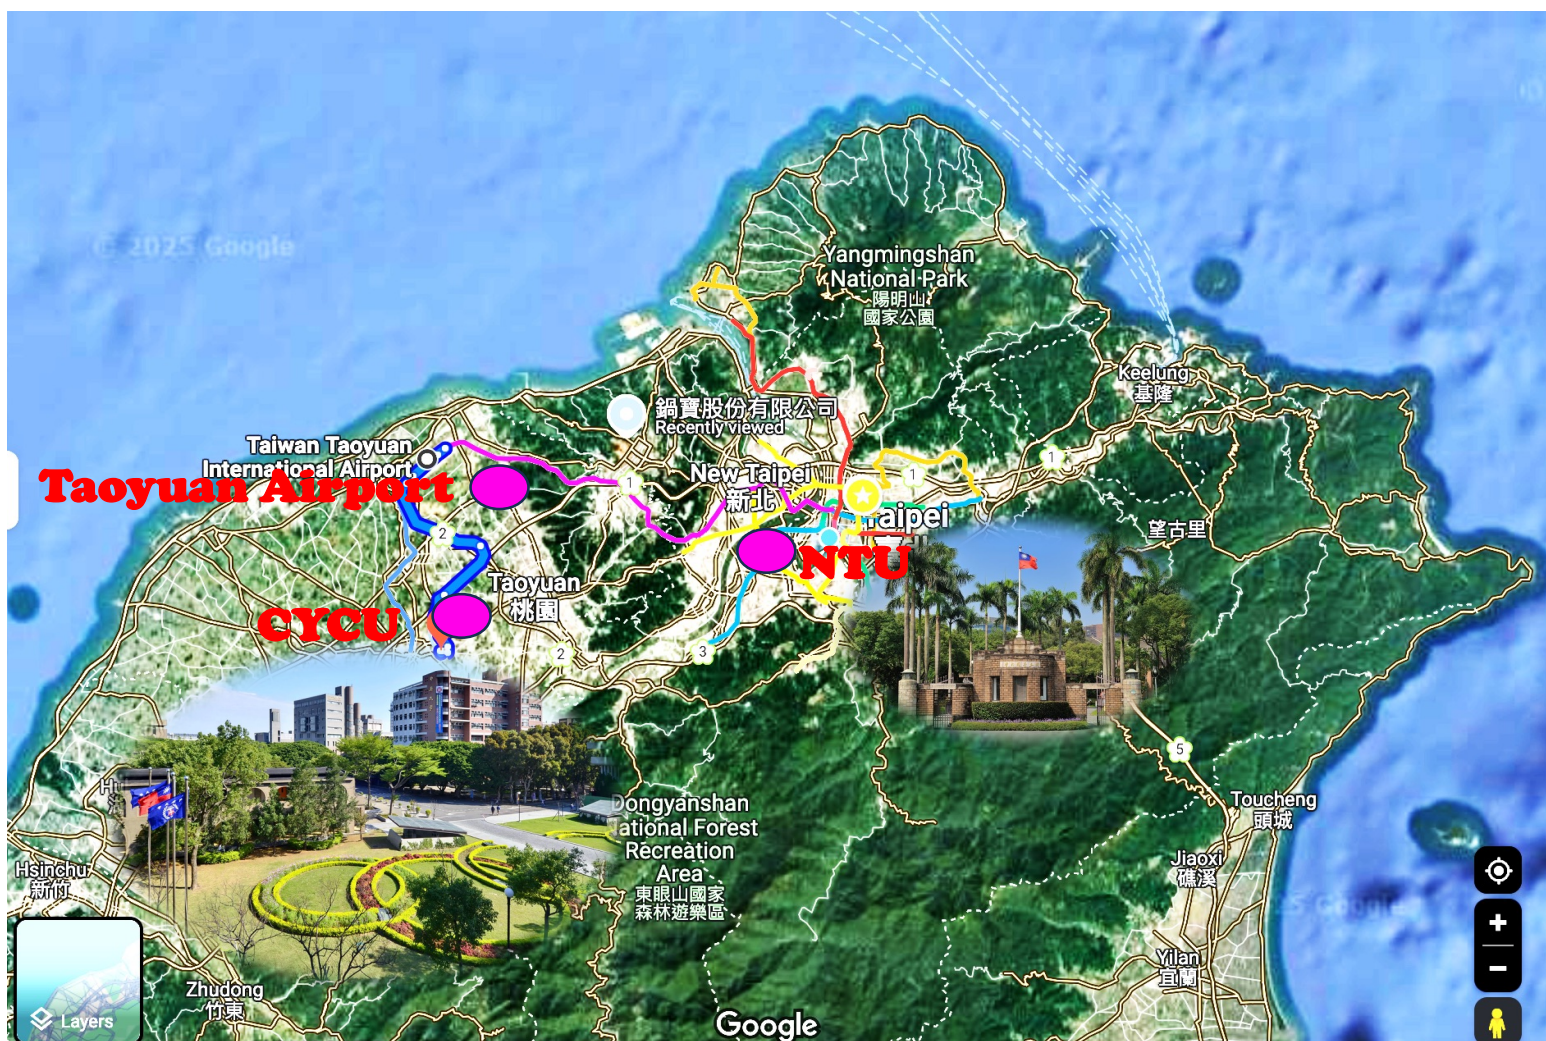

National Taiwan University (NTU), Chung Yuan Christian University (CYCU)

## Date

July 23-27, 2025

## Venue

CYCU/Taoyuan(July 23-25) & NTU/Taipei (July 26)

# APCYS 2025 ANNOUMENT

## Participation Guidelines

We are pleased to invite you to send a delegation of a maximum of 6 projects composed of secondary school students aged 13-19 years and 1-2 team leaders to attend APCYS 2025.

## Project Submission

Projects can be individual or maximum of 2 students

## Categories :

Physics 、 Mathematics 、 Computer Science 、  
Life Science 、 Environmental Science

➤ *Presentations (Poster and Oral) of projects will be examined by International Juries.*

## Registration Fee

The registration fee is **350 USD** per participant for the conference of APCYS 2025.

# Asia Pacific Conference of Young Scientists 2025

Venue: CYCU (July 23-25, 2025) & NTU (July 26, 2025)

## Agenda :

### July 23 (Wednesday):

8:30 AM – 5:00 PM:

Arrival, Registration, Poster Setup and Campus Tour

6:30 PM – 9:30 PM:

Opening & Welcome Banquet, Jury meeting

### July 24 (Thursday):

8:30 AM – 11:30 AM:

Poster Session

1:30 PM – 5:00 PM:

Oral Presentations

6:30 PM – 9:30 PM:

Teacher Session & Student Events

### July 25 (Friday):

9:00 AM – 11:30 AM:

Keynote Lecture on Quantum Computation

1:30 PM – 4:00 PM:

CYCU Quantum Center/Semiconductor Facility

5:30 PM – 8:00 PM:

Cultural Night and Awards Ceremony

### July 26 (Saturday):

9:00 AM – 6:00 PM:

Activities at NTU and Taipei city events

### July 27 (Sunday):

Departure from Taiwan

# APCYS 2025 Oral Presentation Regulation

## Categories :

Physics · Mathematics · Computer Science ·  
Life Science · Environmental Science

### 1. Official Language

The working language of the APCYS is English.

### 2. Presentation Format

Each project will be presented by poster and oral presentation.

The author(s) shall present their research work and respond to questions from the jury.

### 3. Oral Presentation Guidelines

The author deliver oral presentation of the research projects.

- highlight research results predominantly conducted by author.

\* **Each presentation shall not exceed 10 minutes.**

\* **The jury will pose questions for approximately 5 minutes,**  
- subject to adjustment by the jury chairperson.

### 4. Assessment Criteria

Evaluation of each presentation will be based on the following:

**(a) clarity of the problem statement and research question**

**(b) justification of methods and techniques to solve problem**

**(c) results and conclusions.**

### 5. Awards and Certificates for Winning Projects

Prizes (**1st Place, 2nd Place, 3rd Place, and Special Prize**)

for each categories will be awarded to the winners.

Each member of winning project team receive a certificate.

# APCYS 2025 Poster Guidelines

## Poster Format

- Size:** 84.1 cm x 118.9 cm (A0, portrait)
- Printing:** Poster shall be printed in advance by participant

### Title:

Include the project title, followed by the author names underneath, and then the names of their respective institutions.

**Abstract:** Provide a concise summary of your research findings.

**Introduction:** Offer a brief background of the project, outlining its context and purpose.

### Materials and Experiments:

Describe the materials, equipment, and experimental procedures that contributed to the research results.

**Results and Discussion:** Present the experimental results and provide a well-justified explanation linking them to the hypothesis.

**Conclusions:** Summarize the findings and present a clear conclusion based on the results.

**References:** List all relevant literature and sources utilized in the project.

**Poster Format** Size of 84.1 cm x 118.9 cm (A0, portrait)

**Project Title**

# Itinerary for July 26, 2025

**08:00:** Departure from CYCU (two vehicles).

**09:30–12:00:** Visit to Jiufen (九份).

**13:00:** Lunch and campus tour at National Taiwan University

**15:30:** Departure back to Zhongli.

## Introduction to Jiufen (九份)

Jiufen is a charming mountain town located in Ruifang District, New Taipei City, Taiwan, approximately an hour's drive from Taipei.

Jiufen renowned for its picturesque narrow streets, traditional teahouses, and stunning views of the Pacific Ocean and surrounding mountains, and offers a blend of historical charm and natural beauty. Originally a thriving gold mining settlement in the early 20th century. It has transformed into a popular cultural and tourist destination, famously inspiring the setting of the animated film *Spirited Away*.

Visitors can explore its bustling old street, local delicacies like **taro balls**, peanut ice cream rolls, and enjoy the serene atmosphere of its hillside teahouses.

Jiufen is an ideal spot for a half-day excursion, offering a unique cultural experience during your stay in Taiwan.

# Accommodation Guidelines

## Location:

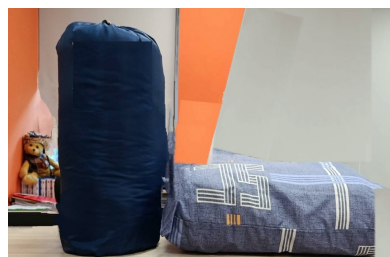

Chung Yuan Christian University Student Dormitories (Male and Female Dormitories)

## Bedding:

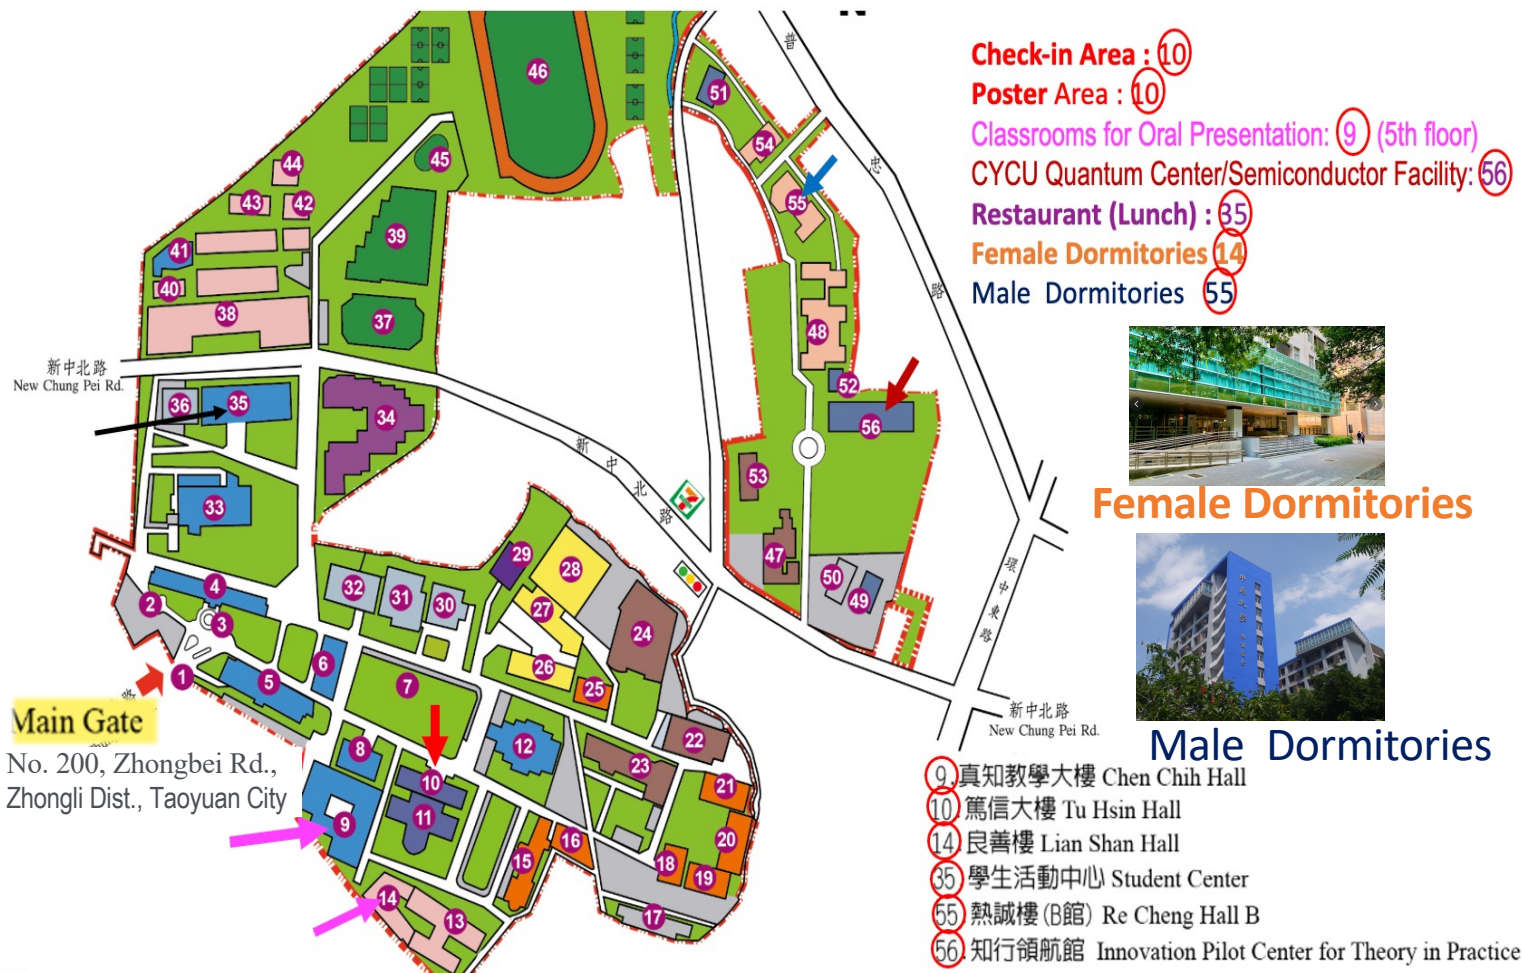

Sleeping bags and pillows will be provided (new items for individual, can be taken away after the stay).

## Personal Items to Bring:

Toothbrush, toothpaste, soap, face towel, bath towel, razor, and grooming kit, etc.

## CYCU campus map

# Information

## WhatsApp:

Communication via WhatsApp is available at  
**+886-939128780.**

*For each team leader, please add the Whatsapp number for coordination and updates.*

## Email:

For inquiries or correspondence, please contact us at
